

The rules and status of the contest IT Fitness Test 2022 V4

The purpose of these rules and status is to adapt the contest rules accompanying IT Fitness Test 2022 V4 in the countries of the Visegrad group located on the website www.itfitness.eu - for the contests in Slovakia, Czech republic, Poland and Hungary.

Every national competition organiser shall issue a separate rules and status for specific Visegrad group country, which shall be the only document which governs the competition rules in the relevant Visegrad group country in a binding manner so as to render them correct and intelligible the conditions laid down for competitive tendering.

To obtain these rules and status, switch the national language of the WEB and read the competition information from menu for the respective country.
